## Coronavirus (COVID-19) Update

Dear Sammy's Trattoria Family,

I am reaching out to inform you all that in compliance with Governor Hogan's executive order, but more importantly for the safety of our beloved patrons and staff, we will shift our restaurant's business from dining-in to personal carryout, catering, and delivery orders. We will become an Italian Market.

Currently, we are offering carryout and delivery orders from 11:30 a.m. through 8:00 p.m. Our options will include our regular lunch and dinner menus, our catering menu with larger pans of food, wines from our wine list, frozen homemade prepared pastas, and containers of homemade sauce and salad dressing. Our hope is to provide you with your favorite Sammy's Trattoria meals that you can enjoy from the comfort of your own homes.

As an Italian Market, we will offer breads, homemade and dry pastas, Italian meats, olive oils, and cheeses as well as household staples such as eggs, butter, chicken, sauces and dressings. We will also sell wine and beer.

All menus are available on our website. Please call 410-837-9999 or call or text 443-564-6021. You may email us orders and questions from our website at [www.sammystrattoria.com](http://www.sammystrattoria.com) or [sam@sammysrestaurantgroup.com](mailto:sam@sammysrestaurantgroup.com) We are available on Grubhub, Uber Eats, and Door Dash.

You may also call for gift certificates or order them by emailing us.

Thank you for your continued love and support. We are committed to providing you all with the means necessary to get through this challenging time together.

Lots of love to all and stay safe,  
Sammy Curreri, owner Sammy's Trattoria
